

VALUATION TRACKER FOR MARKETING SECTOR

02/06/20

VALUATION TRACKER

We are today releasing our latest **VALUATION TRACKER** report for the global Marketing sector.

Our report covers the six months period ending 31st May 2020, which has been an exceptionally turbulent time on account of the Coronavirus epidemic and its wide-ranging impact, with sector valuations suffering dramatically for at least the short-term.

We hope you find our report interesting.
